

Project Background

- ◆ Transportation Master Plan identifies multi-modal improvements for 63rd Street (On-Street bike lanes, curb & gutter and sidewalk on west side of 63rd Street)
- ◆ Transportation improvements completed to date include:
 - South portion from Arapahoe to the Boulder Recycling facility completed in 2003
 - North portion from Butte Mill Road to Via completed in 2010
- ◆ 63rd Street bridge over Leggett ditch identified as structurally obsolete by statewide bridge inspection program

Project Improvements

- ◆ Replacement of the 63rd Street bridge over Leggett ditch
- ◆ Provide continuous bike lanes on 63rd Street from Arapahoe to Butte Mill Road
- ◆ Provide a continuous sidewalk on the west side of 63rd Street from Arapahoe to Butte Mill Road
- ◆ Improve storm drainage and permanent water quality along 63rd Street

Project Funding

- ◆ Capital Improvements Bond funding for replacement of the 63rd Street bridge over Leggett Ditch passed by City of Boulder voters in 2011
- ◆ Additional funding for the project has been contributed by Western Disposal
- ◆ Anticipated total cost of the project is \$3.6 million
